## HOSPITAL LEVEL 1 & 2 BED SHEETS (TC120-TC180)

Hospital level 1 & 2 sheets made from 100% cotton, designed for basic patient comfort, breathability, and frequent institutional laundering.

## HOSPITAL LEVEL 1 & 2 BED SHEETS (TC300-TC600)

Higher-grade hospital bed sheets made from finer cotton, offering improved softness, durability, and patient comfort.

## OT SHEETS (NON STERILIZED)

Cotton OT sheets suitable for operating theaters and medical use where sterilization is handled separately.

## OT SHEETS (STERILIZED)

100% cotton sterilized OT sheets designed for surgical environments, providing hygiene, absorbency, and reliability.

## **DRAW SHEETS (TC120-TC180)**

Cotton draw sheet designed for patient handling and mattress protection, suitable for high-use hospital environments.

## **HOSPITAL HAND TOWELS (350-900 GSM)**

Cotton hand towel designed for absorbency, softness, and repeated institutional washing.

## **HOSPITAL BATH TOWELS (350-900 GSM)**

Hospital bath towel offering reliable absorbency, comfort, and durability for patient care.

## **WATER PROOF MATRESS PROTECTOR**

Waterproof mattress protector designed to protect mattresses from spills and fluids while maintaining hygiene.

## **HOSPITAL THERMAL BLANKET (100% COTTON)**

Hospital thermal blanket designed to provide warmth, comfort, and breathability for patients.

## **MICROFIBER BLANKET (100% POLYESTER)**

Lightweight microfiber blanket offering softness, warmth, and easy care.

## **FLEECE BLANKET (POLYESTER FLEECE)**

Soft fleece blanket designed for warmth and comfort in patient and hospital environments.

## **WAFFLE BLANKET (COTTON/BLEND)**

Waffle-textured blanket offering breathable warmth and lightweight comfort.
