## ABOUT US

# Company Overview

Buiss Plus Trading W.L.L stands as a dynamic international trading and industrial supply enterprise offices in **Doha, Qatar**, and in the **United States** to bolster its worldwide operations. This strategic dual presence enables seamless service to diverse global markets, ensuring efficiency, compliance, and expanded reach.

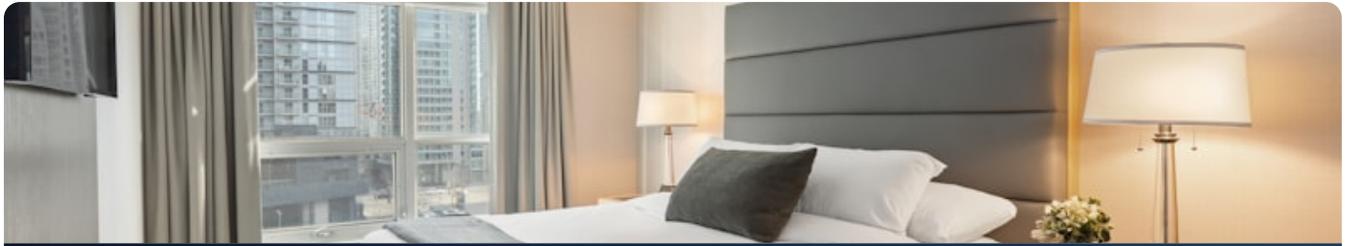

Specializing in premium products, robust supply chains, and expert technical solutions, Buiss Plus excels across key sectors through its two flagship divisions: **Home Textiles** and **Oil & Gas, Petrochemicals & Automobiles Supply and Services**. By leveraging longstanding global sourcing alliances, a team of seasoned professionals, and an unwavering dedication to excellence, the company empowers clients in hospitality, healthcare, industrial, and energy industries with tailored, high-performance offerings that drive success on an international scale.

## Our Vision

Recognized as a globally trusted trading partner for premium textile products and the reputable registered CresT+ brand, providing reliable industrial solutions, supplies, and services to the oil, gas, and petrochemical sectors—driven by excellence, innovation, and professional expertise.

## Our Mission

Committed to delivering superior products and services to global markets through reliable sourcing, efficient logistics, and strong technical expertise. Supplying premium home textile products, trusted U.S. registered brands, and dependable industrial solutions for the oil, gas, and petrochemical sectors. Building long-term partnerships driven by quality, reliability, innovation, and mutual growth.
